*Re: O'Leary v. Unified Court System
SDNY Case No. 05cv6722(HB)(DCF)*

Your Honor:

We are counsel for Plaintiff in the above-noted action which involves allegations of discrimination under Title VII. The parties have exchanged documents and discussed progress of the case. We have been greatly delayed in receiving documents needed to set up depositions. We have just received plaintiff's personnel file but numerous other files on other candidates for the positions in issue have not been provided. We expect that progress can be made once the Magistrate Judge becomes involved.

We have discussed this with defendant's counsel and the parties have agreed among themselves, subject to the Court's leave, to extend the time in which discovery may be completed. We request that the time in which the parties be permitted to complete discovery be extended to September 18, 2006 from July 17, 2006. In light of this we make this application for the Court's Order approving the requested extension. The parties understand that the trial date is not to be changed.

Your request to extend discovery until Sept. 18, 2006
is granted. But you should be clear
that there will be no motions in
this case & trial is still scheduled

SMC/lk for Oct. 2006
